Dear Mr. Jabaly:

All your hard work has paid off and we truly have a great Clearwater Cartoon Souvenir map to distribute to our newcomers, visitors and residents. The partnership between your firm, the Clearwater Regional Chamber of Commerce and our city was key in producing such a quality product. And to top it all off our map was received before the due date – thank you for your efforts on this project.

Being able to include a separate map of the downtown and the beach was an added benefit as was the ability to provide pertinent information about city projects to help us update everyone we distribute the map to.

It has been a pleasure working with you on this project from the start and I commend you for your fantastic customer service.

Sincerely,

A handwritten signature in blue ink that reads "Anne J. Fogarty".
