Dear Fort Myers Beach Chamber Members,

Over the past three weeks, I have had the opportunity to work with Al Jabaly on the Fort Myers Beach area animated map project. Cartoon artist Kevin Middleton hand-paints the original water color, and we are pleased that he has selected Fort Myers Beach to be the only local community represented by a top-quality, full color, animated area map.

During this time, Al always presents his product professionally, and was very careful to coordinate his activities toward helping the Chamber and its participating members. He has maintained a good working relationship with other Chambers of Commerce in Florida, with which he has been previously associated, and is a fellow member of our Chamber. While in our area, he can be reached at 1(888) 899-3190 or cell (561) 252-7955 and we wish him much success in promoting our beautiful coastal area.

I will gladly answer any inquiries you may have regarding this project, and can be reached at 454-7500 at your convenience.

Sincerely,

Robert B. Auble
