To whom it may concern:

This letter is written as a testament of both the great product and service that was provided to me by South Florida Business Administration and Al Jabaly, Project Manager. Al was a guest of ours who put together some very exciting cartoonistic maps. The maps are big, colorful, and, and stimulating to the eye. Al was easy to work with, and willing and able to put our property on the cover of a Lee County edition area map jacket. I enjoyed working with Al, and would recommend his services. On a more personal note, I wish Al luck with all of his future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "John De Piro".
