

Naples Area Chamber of Commerce

May 2002

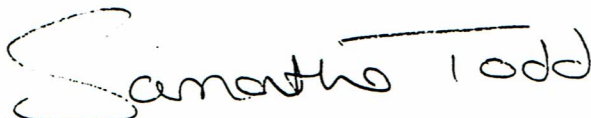

To whom it may Concern

South Florida Business Association is a member of the Naples Area Chamber of Commerce. They publish beautiful County Maps in a cartoon style. The maps are hand painted in watercolors by Kevin Middleton, a renowned artist.

SFBA is starting a similar Map for Lee and Collier County, which will be available later this year. The maps are ideal for tourists, newcomers and local residents alike and advertising on the map is available and should be considered as a highly effective way to promote a business.

For more information please contact SFBA directly.

Sincerely

Samantha Todd
