3668 161st Terrace N.
Loxahatchee, FL 33470

Dear Mr. Jabaly,

We appreciate receiving the St. Petersburg Centennial Maps, both editions, over the past few weeks. Currently, we are distributing the St. Petersburg Centennial Maps through the Pinellas County Government Services booth at Tyrone Square Mall, the South County Connection Center and other similarly located county offices.

However, in reference to your request, note that Pinellas County has a policy of not supplying letters of endorsement for products or services.

Sincerely,

Ronnie Goodstein
Director
